Miss Ethel M. Button of Maple street was married Saturday evening, August 23, to Harry W. Fisk of South Royalton. The ceremony was performed at the home of the bride's sister, Mrs. Francis E. Fox, in Burlington. Following the ceremony, a reception was held and refreshments were served. After a short wedding tour Mr. and Mrs. Fisk will make their home on a farm at Tunbridge, Vt. owned by the bride's mother. The bride is the daughter of Mr. and Mrs. William P. Button of Hoosick Falls but has been employed here for some time by the Black Cat Textiles company. She has many friends here who extend best wishes for her future happiness.

Open Your Eyes at the Opera House September 1.

"Open Your Eyes," the amazing photoplay prepared under the supervision of the United States public health service comes to the opera house Wednesday, September 3. This picture has attracted wide attention, and created a veritable sensation among educators and public officials in every city where it has been shown.

Briefly, "Open Your Eyes" is the story of two girls, both young beautiful and innocent, just budding into young womanhood. One finds her mother all that a mother should be. Her questions are frankly and sensibly answered, and consequently she is able to avoid the pitfalls that lie in the pathway of youth. The other, less fortunate, finds her mother too busy with social duties to listen to her daughter's questions, and when the lonely girl turns to companions of her own age for knowledge, she gets it at first hand from a handsome "rounder," young in years but old in wisdom of the ways of the world.

The story is admirably acted, and the scenes, especially the Broadway cabaret and the roadhouse, are realistically portrayed. Although the fate of the "rounder" is tragic, the whole tone of the film is one of encouragement through warning, not one of depression and despair.

More Rheumatism Than Ever Before

Clergymen, Lawyers, Brokers, Mechanics and Merchants Stricken.

Our old friend Rheumatism is having his lining this year, and a few words of caution from one who knows all about it may not be amiss.

Wear rubbers in damp weather keep your feet dry, and avoid alcoholic drinks.

If rheumatism gets you, or sciatica, and you have sharp twinges, gnawing pain or swollen joints or muscles, you can usually get rid of all agony in just a few days by taking one teaspoonful of Rheuma once a day.

All druggists know about Rheuma.

It's harmless, yet powerful; cheap, yet sure, and a 75-cent bottle will last a long time. W. L. Gokay will supply you with the understanding that it must rid you of all rheumatic pains or money back.

THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing early hollows and angles by the soft, curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often

due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as Bitro-Phosphate, which is inexpensive and is sold by Gokay in Bennington and most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the necessary phosphoric food elements Bitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear. Full eyes ought to brighten, and pale cheeks glow with the bloom of perfect health. Miss Georgia Hamilton, who was once thin and frail, reporting her own experience, writes: "Bitro-phosphate has brought about a magic transformation with me. I gained 15 pounds and never before felt so well."

CAUTION: Although Bitro-Phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its tendency to increase weight, be used by anyone who does not desire to put on flesh.

Ham Knights and John Thomson were in attendance at the Saratoga races Wednesday.

Miss Ruth Kenyon returned Tuesday to her home in Petersburg, N. Y., after spending a week with her Uncle, Tracy Kenyon.

Mrs. George Knichis and daughter, Mrs. Guy French were in Arlington Saturday to attend the funeral services of their aunt, Mrs. Charles Chamberlain.

The North Bennington Grades and Junior-Senior high school will open next Tuesday, September 2. Principal Walter C. Wood will teach Science and Agriculture. Miss Alice Gibbons of Westfield, Mass., English; Miss Helen Pellissier of Holyoke, Mass., Domestic Science and French; Miss Katherine Ryan of Easthampton, Mass., Latin and History; Miss Marion Elmer of Middlebury, Vt., Mathematics; Mrs. Nora Stanley of this place, fifth and sixth grades; Miss Theresa McGuire also of North Bennington, the third and fourth grades, and Miss Marion Beecher of Bennington, first and second grades.
